In my own Dream Coffin

by [MiaQc](#)

Summary

Inspired by my one sentence fanfic [Eternal Nightmare](#).

I scream, I cry, I yell my love's name.

But I can't do anything.

It's a nightmare.

A nightmare that never ends.

- A translation of [Dans mon propre Cercueil de Rêve](#) by [MiaQc](#)
- Inspired by [Eternal Nightmare](#) by [MiaQc](#)

Queen Badiane crushing Sailor Uranus in her hand.

Badiane squeezing Sailor Uranus' head with her two fingers and causing it to explode.

Badiane who electrocutes Sailor Uranus with her black lightning until her body is on fire.

Badiane laughing as Sailor Uranus' body turns into ashes.

Badiane impaling Sailor Uranus with a black sword.

I scream, I cry, I yell my love's name.

But I can't do anything.

It's a nightmare.

A nightmare that never ends.

I am Sailor Neptune and I'm trapped.

In my own Dream Coffin.

There is no hope, no escape.
